

Good Enough
Lifehouse

I ve been trying to find a tab for this song everywhere but haven t found the right one.

Instead I decided to mess around on my guitar a bit and try to find the right chords by ear.

Here is what I came up with. (Note that this may or may not be 100% correct.)
Feel free to leave comments/suggestions below.

[Updated - 5/9/11: Minor Fixes]

[Updated - 5/14/11: New Ending]

Strumming:

It is easier to pick up the strumming pattern by listening to the song while playing.

Chords:

```
      G      C      Dsus4  Em*
e | --3-- | --3-- | --3-- | --3-- |
B | ----- | --1-- | --3-- | ----- |
G | ----- | ----- | --2-- | ----- |
D | ----- | --2-- | ----- | --2-- |
A | --2-- | --3-- | ----- | --2-- |
E | --3-- | ----- | ----- | ----- |
```

*I find it more pleasing to the ear with the high G over the high E for Em.

[For the rest of the song after the lyrics have finished, you play the chords G, Dsus4, C, and G just like in the chorus over and over again. Then when you want to end the song you play G, Dsus4, C, G, and one last strum of the G chord.]
