HAD ENOUGH

by LIFEHOUSE ft. Daughtry
from the album SMOKE AND MIRRORS

INTRO: **G#m E B F#**

G#m E B F#
Loneliness facing up and down these hallways
G#m E B F#
Secondguessing every thought
G#m E B F#
Mystified, just spinning round in circles
C#m
Drowning in the silent screaming
E
With nothing left to say

CHORUS:

B
Everytime I reach for you
F#
There s no one there to hold on to
G#m
Nothing left for me to miss
E
I m letting go, letting go of this
B
Lost my mind thinking it through
F#
The light inside has left me too
G#m
Now I know what empty is
E
I ve had enough, I ve had enough of this

G#m E B F#

G#m E B F#
I believe that love should be a reason
G#m E B F#
To give and get back in return (to give and get back in return)
G#m E B F#
I wanna breathe in a new beginning

C#m

E

With someone who will wrap her arms around what s left of me

CHORUS:

B

Everytime I reach for you

F#

There s no one there to hold on to

G#m

Nothing left for me to miss

E

I m letting go, letting go of this

B

Lost my mind thinking it through

F#

The light inside has left me too

G#m

Now I know what empty is

E

I ve had enough, I ve had enough of this

G#m

E

Inside I m barely holding on

F#

There s something that s already gone

E

Inside of me a world is in this all alone

CHORUS:

B

Everytime I reach for you

F#

There s no one there to hold on to

G#m

Nothing left for me to miss

E

I m letting go of this...

B

Lost my mind thinking it through

F#

The light inside has left me too

G#m

Now I know what empty is

E

I ve had enough, I ve had enough of this

B

Everytime I reach for you

F#

There s no one there to hold on to

G#m

Nothing left for me to miss

E

I m letting go, letting go of this

B

Lost my mind thinking it through

F#

The light inside has left me too

G#m

Now I know what empty is

E

B

I ve had enough, I ve had enough of this

F#

G#m

Ohh (Ohh) Ooohhhhhhhh

E

I ve had enough, had enough of this
