You know that it is
Cm
Your price to pay
Bb G#
Is your task to break this chains

(refrão)

Fm D# Bb
So where did it all go wrong
Fm
Every thing happen so fast
D# Bb
How could we both believe
Fm
That this could ever last
D# Bb
And if your not moving on
G#
You can have the past
Cm
I ll keep the change

(repete notas)

Wonder where you lay
Out of this cave
Do the satelite ----- away
The shadows of night kept you awake
Had by now learn your mistakes
There s still time to catch that chain

So where did it all go wrong

Every thing happen so fast
How could we both believe
That this could ever last
And if your not moving on
You can have the past
I ll keep the change

Cm Gm
Fall out the pieces of my heart
Fm G#
Back to the place where you are
Cm Gm Fm
To reminde myself of --- I had come
Cm Gm Fm G#
As I empty all this tears that I save up in a jar
Cm Gm Fm
Until this memories get dried by the sun

(G# Fm) (2x)

Bb G#
Remember there s still time to catch that chain

(notas refrão)

So where did it all go wrong
Every thing happen so fast
How could we both believe
That this could ever last
And if your not moving on
You can have the past
I ll keep the change
You can have the past
I ll keep the change
You can have the past
I ll keep the change.
