Intro:

Eb Ab Cm Ab--

Eb

Future lives in the minds

Ab

While we fall from behind

Cm

Missing light from the trees

Ab

Missing you, look at me

Eb

From afar to a sound

Ab

From a fear we expel

Cm

Give it life

Make it breathe

B

Spinning wheels

Bb7

Eb

Into words we believe

Chorus:

Cm

Ab

Everybody talk but nobody listen,

Eb

Nobody listen, nobody listen

Cm

Ab

Everybody talk but nobody listen,

Eb

Nobody listen, nobody listen

Cm

Ab

Everybody talk but nobody listen,

Eb

Nobody listen, nobody listen

B Bb7 Eb

Oh Ohh Oh

Eb

Hear the thunder and rain

Ab

Feel our heart fill with pain

Cm

Travel through time and space

Ab

Where did love lose its place?

Eb

Can we find who we are

Ab

If we stare at a star?

Cm

And the silence, it screams

B

Bb7

Eb

There is nothing that is as it seems

Chorus:

Cm

Ab

Everybody talk but nobody listen,

Eb

Nobody listen, nobody listen
