

I Could Have Loved You  
Lighthouse Family

INTRO: **F7M Eb7M**

**F** **C**  
Far too many things have come between  
**F** **Bb9**  
Where we are now, where we could have been  
**F** **C/E**  
Sometimes a chance, comes once  
**Eb** **Bb9**  
And then it goes, right out the window  
**F** **G/B**  
Now the truth, shines through  
**Bb9**  
I could have loved you

REFRÃO:

**F** **C** **Bb9**  
Now I know what a terrible mistake I ve made  
**F** **C** **Bb9**  
Now I know, this feeling s still around  
**F** **C** **Bb9**  
Now I know just what a selfish little fool I ve been  
**F** **C** **Bb9**  
Now I know for sure this love will never go...  
**F7M** **Eb7M**  
(Hey!) There must have been a way that  
**F7M**  
I could have loved you more  
**Eb7M**  
Now I know, there must have been a day when  
**F7M Eb7M** (2x)  
I could have loved you more

**F** **C**  
Far too many times I let you down  
**F** **Bb9**  
With the behavior of a typical clown  
**F**  
Selfish through and through  
**C** **Eb** **Bb9**  
I told more than a few sophisticated lies, without a grain of truth  
**F** **C**  
But you could see, right through  
**Bb9**  
I could have loved you
