

Lifted

Lighthouse Family

Intro: G Am7 G Am7 G Am7 G

F **Gm7**
I really love to be alone without all the,
F **Gm7**
Ache and pain and the, April showers
F **Gm7**
It ain't long before I long for you
F **Gm7**
Like a, ray of hope comin', through the blues
F
When it all get darker there,
Gm7
The whole thing falls apart I guess
F
I doesn't matter about the rain,
Gm7
Cause we'll get through it any way
F
We'll get up and start again

G **Am7** **G**
Cause we could be lifted, lifted, lifted
Am7 **G** **Am7**
We could be lifted, from the shadows, lifted
G **Am7**
Oh we could be, lifted up today, lifted all the way
G
You and I forever baby, lifted, lifted, lifted

F **Gm7**
It's un-disturb-able the peace without in a,
F **Gm7**
Bright blue space, up above the clouds
F **Gm7**
Every thing is understandable
F **Gm7**
You don't have to save any, thing too loud
F
When our love runs out again
Gm7
Drop back down to solid ground
F
I wouldn't say I was mad about the rain
Gm7
But we'll get through it any way
F

We ll get back to the stars again

G Am7 G
Cause we could be lifted, lifted, lifted

Am7 G Am7
We could be lifted, from the shadows, lifted

Oh we could be, lifted up today, lifted all the way

G Am7
Oh we could be, lifted up today, lifted all the way
