VERSE 1:

D **G**
There should be snowflakes falling, I canâ€™t wait to see

A **Bm** **G**
And I miss the way I fell, I fell into your arms each day

D **A**
Like an artist at their painting, I can feel your heartbeat
Em
Clicking the cadence to the sounds of you
Bm **A**
Youâ€™re patiently waiting for me

I can feel the remnants of our last kiss, still lingering on my lips

Now I m gone but before too long
Bm **A** **G**
I ll be holding you safe in my arms
