Lights**

Very passionate and beautiful song.

INTRO

Am F C C

VERSE

Am F C
Seems somebody put out the moon
Em Am
Now the road is a minefield
F C
I canâ€™t follow the way she moves
Em
I canâ€™t see past the shadows
F C
You make the darkness disappear
Em Am
I feel found when you stay near
F C
I know where I am when you re here
Em
My way becomes so clear

CHORUS

Am
When you re gone
F C
Will I lose control?
Em Am
You re the only road I know
F C
You show me where to go
Em Am
Who will drive my soul?

Repeat verse and chorus.

BRIDGE

Am F

Chorus again.
