**C** **F**  
Strange hands taking my wrist again  
**C** **F**  
Somehow I m still alone  
**C** **F**  
Voices shaking my steps again  
**Am** **G** **F**  
I follow

**C** **F**  
I m a little bit on the edge  
**C** **F**  
Hold up and out of reach  
**C** **F**  
I can t hear much of what you said  
**Am** **G** **F**  
To come for me

**G** **C**  
Don t let me tumble away  
**G** **C**  
Into the throws of the shadowy bay  
**Am** **G** **F**  
I cling to the rock and it s crumbling off  
**Dm** **C** **G**  
Toss me a heavy rope, it s a slippery slope  
**C** **F**  
Come bail me out of this God forsaken precipice  
**C** **F**  
Come bail me out of this God forsaken precipice

**C** **F**  
All up in this old place again  
**C** **F**  
Can t seem to get away  
**C** **F**  
Take me back to my element  
**Am** **G** **F**  
I m afraid

**G** **C**  
Don t let me tumble away
