

**In The Dark I See
Lights**

This song just came out yesterday (6/1/11) on Lights YouTube page. I fell in love with it immediately, so I thought I might as well tab it out and write out the lyrics. Enjoy! :) <http://www.youtube.com/watch?v=D7r5N9NLENo>

Capo on the 6th fret.

Intro: **Cmaj Em** x2

Cmaj Em
Here, in this stillness the quiet place.
Cmaj Em
Where am I with the downturn face.
Am Em
You come and distract me, from what s coming at me.
Cmaj Em
Give me something to look forward to.
Cmaj Em
Truth be told, sometimes it s only you.
Am Em
Nothing is at stake here, when we are awake here.

F
It s you who brings the morning...
Am Em
and you who takes the sun when I sleep.
G
You re the only one who stuck around,
F
with me when I was losing,
Cmaj Em
faith in what I thought I would be.
G Cmaj
You re the only one in the dark I see.
Am
The dark I see.
Em G
The dark I see.

Cmaj Em
I know I lose my heart so easily.
Cmaj Em
Trying to only show the best of me.
Am Em
And I go into hiding, each time I stop trying, oh.
Cmaj Em
You remind me of the little things.

Cmaj **Em**
til I forget the part that s troubling.

Am **Em**
And I feel so much better, when we are together.

F
It s you who brings the morning...

Am **Em**
and you who takes the sun when I sleep.

G
You re the only one who stuck around,

F
with me when I was losing,

Cmaj **Em**
faith in what I thought I would be.

G **Cmaj**
You re the only one in the dark I see.

Am
The dark I see.

Em **G**
The dark I see.

F5
cause it s you who brings the morning.

Cmaj **Gmaj**
And you who takes the sun when I sleep.

Em
You re the only one who stuck around,

Cmaj
for me when I was losing,

Am **Em**
faith in what I thought I would be.

G **Cmaj**
You re the only one in the dark I see.
