```
C Em C1
Every river that I ve tried to cross
                     C
                           Em C1
And every door I ever tried was locked
            (C- Strum once)
                                                 C1
Ooh-Oh, And I m just waiting till the shine wears off...
                                  * start to Pam/Dampen the sound.*

                          Bm
In a little pond
C1
                   Em
Doesn t mean you ve won
 C
              Bm
Cause along may come
C1
        Em
               С
                    Bm
A bigger one
                             *Stop dampening the sound here*
C1
And you ll be lost
                     C
                          Em C1
Every river that you tried to cross
                  C
                       Em
                           C1
Every gun you ever held went off
Ooh-Oh, And I m just waiting till the firing Stops
Ooh-Oh, And I m just waiting till the shine wears off
Ooh-Oh, And I m just waiting till the shine wears Stops
And I {\tt m} just waiting till the shine wears off
This bridge was made by lights
```

I just got lost
