

There s no explanation or forewarning

**D/F\***

Underneath all the silver linings

**Em\*** **C\***

We approach the streets with

**G\*** **D/F\***

A clear conscience we ll survive

**C\*** **D/F\***

Let it all run down

**C\*** **D/F\***

Let it all run down

**Em`** **C`** **G`**

It s one way to up for a horizon

**D/F`**

And not to mention it

**Em`** **C`** **G`**

It s one way to say we re abandoned

**D/F`** **C`** **D/F`**

And we don t belong here at all

**C`** **D/F`**

And romance just is

**Am** **G** **D** **Em**

\*\*Exclude **E** string (1st string)  
when strumming chords\*\*

**Am** **G** **D** **Em**

Slow it all down, the damage is done

**Am** **G** **D** **Em**

Play the music loud, don t make a sound

**Am** **G** **D** **Em**

Let s raise a toast to a sad story

**Am** **G**

In a dirty cup

**D** **Em**

In a dirty cup. You made it,

**Am** **G** **D** **Em**

You made it hurt so bad

**Am** **G** **D** **Em**

You made it hurt so bad

**Em\*** **C\***

With a little poison

**G\*** **D/F\***

We can burn this whole place down

To the ground again
