

**Saviour
Lights**

This is a beautiful song by lights, I fell in love from the beginning and I thought I d tab it for you guys:)

STANDARD TUNING, NO CAPO

It s very important that you play the D and D/F# chords like this:

D	D/F#
---3---	-----3--
-2-----	---2-----
---3---	-----3--
-----	-----
-----	---2-----

Strum with feeling, like a heartbeat.

D/F#

The night is deafening when the silence is listening

G

And I m down and my knees, and I know that something is missing

D/F#

Because the back of my mind is holding things I m relying in

A

But I choose to ignore it because I m always denying them

D/F#

I m a bit of a manic when it s not as I plan

G

Cause I start losing my head and then I get up in a panic

D/F#

Remember when we were kids and always knew when to quit it

A

Are we denying a crisis or are we scared of admitting

G

A

I don t want to know

G

A

I just want to run to you

D

D/F#

And break off the chains, and throw them away

G

A

I just want to be so much

D

D/F#

And shake off the dust that turned me to rust

G

A

Sooner than later, I need a saviour

G

I need a saviour

D/F#

It won't ever change if you want it to stay the same

G

I really hate it but I know it's hard to choose if you're chained

D/F#

And when it's all you control cause you've got nothing left to hold

A

You're getting tighter and tighter, it's getting hard to let it go

G

A

I don't want to know

G

A

I just want to run to you

D

D/F#

And break off the chains, and throw them away

G

A

I just want to be so much

D

D/F#

And shake off the dust that turned me to rust

G

A

Sooner than later, I need a saviour

G

I need a saviour

G

A

Stand me up and maybe I won't be so small

G

Free my hands a feet and maybe I won't always fall...

D/F#

save me

G

A

I just want to run to you

D

D/F#

And break off the chains, and throw them away

G

A

I just want to be so much

D

D/F#

And shake off the dust that turned me to rust

G

A

Sooner than later, I need a saviour

G

D/F#

I need a saviour
