Intro x2

Verse 1:

```

F#           B           D#m           E
  I g-g got-got-got to know a girl.

F#           B           D#m           E
  I l-l-love you, yes I do.

F#           B           D#m           E
  Every time I see, those, light blue eyes

F#           B           D#m           E
  I start to think about, you and I, you and I.....

```

Chorus:

```

B           C#           D#m           E
  I m just a California Boy, I m just a California boy.

```

Repeat x4

Verse 2: (Same strumming pattern)

I see you at the beach, why don t you speak to me?  
Yeah, I look kinda strange but it s okay.  
If you knew about love then you d know that it s in your heart  
And I wanna show you it s okay, it s okay, it s okay-kay-kay

Chorus x4

Verse 3:

So much love is in the air.

Just go take a look outside.

Peace is the only thing that we can do.

And all we can do is try, do is try, do is tryyyyyyyyyyyyyyy...

Chorus x4
