Em G C Am
You don t know the loneliness inside
Em G C
I ve been waiting, I ve been patient bout my whole damn life
Em G C Am
I ma make it, I ma take it
Em G C Am
Ink through the flames dripping slowly on the pavement
Em G C Am
Two men, cross the road
Em G C Am
Both ended up dead that s how the stories told
Em G C Am
I know how it goes, keep walking down the path until your bodies cold
Em G C Am
Said, two men, cross the road
Em G C Am
Both ended up dead that s how the stories told, yeah
Em G C Am
I know how it goes, keep walking down the path until your bodies cold, yeah
Em G C Am
Keep walking down the path until your bodies cold, yeah
