

Awful Things

LiL PEEP

G#m **B**
Bother me, tell me awful things
E
You know I love it when you do that
C#m
Helps me get through this without you

G#m **B**
Bother me, tell me awful things
E
You know I love it when you do that
C#m
Helps me get through this without you

G#m **B**
Bother me, tell me awful things
E
You know I love it when you move that on me
E
Love it when you do that on me

G#m **E**
You like attention, I find it obvious
F#
She makes it obvious for me
G#m B G#m
She feels the tension
E F#
It s just the two of us, it s just the two of us tonight

G#m B
Burn me down til I m nothin but memories
E F#
I get it, girl (I get it, girl)
B
I get it, girl
G#m B
Burn me down til I m nothin but memories
E
I get it, girl (I get it, girl)
B
I m not the one

G#m **B**
Bother me, tell me awful things
E
You know I love it when you do that
E
Helps me get through this without you

G#m **B**
Bother me, tell me awful things
E
You know I love it when you move that on me
E
Love it when you do that on me

C#m **B** **G#m**
Don't you turn your back on me
E **F#**
Let your teardrops fall on me
G#m
Speeding away, the city in the rear view
B
Heart racing whenever I'm near you
E
GothBoi jumpin' on stage
E
Carry me away, carry me away
G#m **B**
Burn me down 'til there's nothing left
E **E**
I will scream your name with my last breath
G#m
Take off your favorite dress
B
Lay your head on my chest
E
Diamonds, rubies and gems
E
You can have all of them

[Ponte]

G#m **B**
Bother me, tell me awful things
E
You know I love it when you do that
E
Helps me get through this without you
G#m **B**
Bother me, tell me awful things
E
You know I love it when you do that
E
Helps me get through this without you
G#m **B**
Bother me, tell me awful things
E
You know I love it when you move that on me
B
Love it when you do that on me
