

Big City Blues

LiL PEEP

[Intro] C E Am F C E I just wanna see
you smile, I just wanna make you mine Am We can spend time, smoke
away the time F We can go anywhere you ever wanted
C Anything you ever dreamed E I can make your
dreams come true Am I ll be on my own, no crew
F Out here making these moves Singing these big city blues C
E I don t wanna think about you
Am Every time I think about you F I swear I fall in
love again C I remember everything you said
F Promise me it s real Am Girl, I got a deal
F C You could be my girl if I could be your world
E Promise me it s real Am Girl, I got a deal
F C E You could be my girl if I could be
your world Am Uh, uh, uh, uh, uh, uh F
Uh, uh, uh, uh, uh, uh C E And we can leave this club
Am And we can get fucked up F In the
back of the Chevy C Girl, I felt your
heart beating heavy for me E And I just wanna see
you shine Am Girl, you got stars for eyes
F And she sweet like Texas tea C With a ass
from Tennessee E And we can take the long way
home Am Cause I don t wanna see you go
F Sitting drinking whiskey, hoping that you miss me
C E Baby say you do (please say you do)
Am Uh, uh, uh, uh, uh, uh F Uh, uh, uh, uh, uh, uh
C E Am F Maybe say you do////////////////////
