                  A4                                  C7M  
She said I m a crybaby, I can t be up lately  
                  A4                                  C7M  
Girl you drive me crazy, AMG Mercedes  
                  G4(6)                                  F5-  
Speeding down the highway, looking at the street lights  
                  G4(6)                                  F5-  
Geeking on a Friday, I can never sleep right  
                  A4                                  C7M  
Knowing I hurt you, I don t deserve you  
                  A4                                  C7M  
I should ve curved you, I know I m the worst boo  
                  G4(6)                                  F5-  
But I could be cool too, and you got them dance moves  
                  G4(6)                                  F5-  
And I got this vibe, I swear it s perfect to ride to  
                  A4                                  C7M  
I wanna die too, we all wanna die too  
                  A4                                  C7M  
I got this vibe I swear she love getting high to  
                  G4(6)                                  F5-  
I love getting high too, I wanna hide you  
                  G4(6)                                  F5-                                  A4  
How did I find you? I ll be inside, I m making music to cry too  
  
                  C7M                                  A4  
Oh it s a lonely world, I know  
                  C7M                                  G4(6)  
Gon get a lonely girl, that s fo sho  
                  F5-                                  G4(6)                                  F5-

Oh I m a lonely boy, she made a lonely boy, yeah I know
