I know that I m not that important to you but to me girl, you re so much more
than gorgeous

G Bm
So much more than perfect

A
Right now I know that I m not really worth it
If you give me time I can work on it

G
Give me some time while I work on it

Bm
Losing your patience and girl, I don t blame you

A
The Earth s in rotation, you re waiting for me
Look at my face, while I fuck on your waist

G
Cause we only have one conversation a week

Bm
That s why your friends always hating on me

A
Fuck em though, I did this all by myself
Matter of fact, I ain t never ask no one for help

G
And that s why I don t pick up my phone when it rings

Bm
None of my exes is over, Lil Peep

A
Nobody flexing as much as I be
That s why she text me and tell me she love me

G

She know that someday I ll be over the sea

Bm

Making my money and smoking my weed

A

I think it s funny, she open up to me, get comfortable with me

Once I got it coming, I love her, she love me

G

Bm

I know that I m nothing like someone the family want me to be

A

If I find a way, will you walk it with me?

Look at my face while you talking to me

G

Cause we only have one conversation a week

Bm

Can I get one conversation at least?

A

Shout out to everyone making my beats, you helping me preach

G

This music is the only thing keeping the peace when I m falling to pieces

Bm

A

Look at the sky tonight, all of the stars have a reason

G

A reason to shine, a reason like mine and I m falling to pieces

Bm

A

Look at the sky tonight, all of the stars have a reason
