

**Mess**

**Lil Wayne**

[Intro]

**Dmaj7 A Dmaj7 A**

[Chorus]

**Dmaj7**

Because my days is a mess

My nights is a mess, my life is a mess

**A**

My life is a mess of happiness

Lust, sex, obsession, desire with no love

**Dmaj7**

Fuck it, my bae is a mess

My side bitch a mess, my wifey a mess

**A**

I guess, my bae is obsessed

My side bitch possessed, my wifey careless

But you gon have to excuse my mess

[Verse 1]

**Dmaj7**

She gon have to excuse my ex

I ma have to excuse her pets

She gon have to be juicy wet if she gon ride on this Tune Express

**A**

I ma have to excuse her text

She gon have to exclude the rest

She gon have to tell dudes to step

Nigga, to the left, nigga, to the left

**Dmaj7**

Messy, messy on some Percocets

Smoking purple veggie, that s my herbal essence

With a curvy, sexy woman hurting extra cause I m working extra

**A**

I just heard her lecture, but I swerved the questions

And reserved a section with a bunch of bitches that prefer the pleasure

It s quarter-to-seven

They just heard the shower water runnin in the morning

Dirty Devil, I m a mess

[Bridge]

**Dmaj7**

But I m sorry babe, but I gotta let go

Now she feel like she on death row

She don t believe in ghosts til I get ghost

**A**

And I can hear her teardrops echo

Her teardrops turn into XO

Put yourself in my shoes but you got to tiptoe

[Chorus]

**Dmaj7**

Cause my days is a mess

My nights is a mess, my life is a mess

My life is a mess

**A**

My life is a mess of happiness

Lust, sex, obsession, desire with no love

**Dmaj7**

But fuck it, more one s, my bae is a mess

My side bitch a mess, my wifey a mess

**A**

I guess, my bae is obsessed

My side bitch possessed, my wifey careless

But you gon have to excuse my mess

[Verse 2]

**Dmaj7**

Yes, no pressure, it's a jungle out here

Fell in love with a stripper, Lord, I know she got bills

**A**

But I ma make it rain until she see a flood of ideas

Got me all up in my feelings without knowing what I feel

**Dmaj7**

I m a mess

And now she over talking about staying over

And she ask could she call her clan over?

I say that s the shit and now we asshole-ing

**A**

Now fast forward til the morning time

Broken glasses with a bunch of ashes, makeup, and lashes

Out of place mattress, shit happens cause my days is a mess

[Bridge]

**Dmaj7**

I m sorry babe, but I gotta let go

Now she feel like she on death row

She don t believe in ghosts til I get ghost

**A**

And I can hear her teardrops echo

Her teardrops turn into Petrol

Put yourself in my shoes but you got to tiptoe

[Chorus]

**Dmaj7**

Cause my days is a mess

My nights is a mess, my life is a mess

My life is a mess

**A**

My life is a mess of happiness

Lust, sex, obsession, desire with no love

**Dmaj7**

But fuck it, more one s, my bae is a mess

My side bitch a mess, my wifey a mess

**A**
