Who else really tryna fuck with Hollywood Cole? I'm with Marley G, bro

Flying Hollygrove chicks to my Hollywood shows

And I wanna tell you something that you prolly should know

This that Slumdog Millionaire Bollywood flow

And uh, my real friends never hearin' from me

Fake friends write the wrong answers on the mirror for me

That's why I pick and choose, I don't get shit confused

I got a small circle, I'm not with different crews

We walk the same path, but got on different shoes

Live in the same building, but we got different views

I got a couple cars I never get to use

Don't like my women single, I like my chicks in twos

And these days all the girls is down to roll

I hit the strip club and all them bitches find a pole

Plus I been sippin', so this shit is movin' kinda slow

Just tell my girl to tell her friend that it's time to go

[Lil Wayne]

Now tell me how you love it

You know you at the top when only heaven's right above it

We on

It's Young Money, motherfucker

If you ain't runnin' wit it, run from it, motherfucker, all right

Now somebody show some money in this bitch

And I got my B's with me like some honey in this bitch, ya dig?

I got my gun in my boo purse

And I don't bust back, because I shoot first

Meet me on the fresh train

Yes, I'm in the building, you just on the list of guest names

And all of my riders do not give a fuck, X Games

Guns turn you boys into pussies, sex change

And I smoke 'til I got chest pains

And you niggas know I rep my gang like Jesse James
