

**Im Amazed**

**Lila McCann**

This is my first time! but it sounds great!

CAPO 3

**Em**            **D**            **G**            **C**  
Used to feel like rain fell down

**Em**            **D**            **G**            **C**  
Even in the sun

**Em**            **D**            **G**            **C**  
Every dream I ever had

**Em**            **D**            **G**  
Always came undone

**Am**

So how is it possible

**Em**                    **C**            **D**  
I m in your arms tonight

(Chorus:)

**G**            **D**            **C**  
I m amazed How you found your way

**G**                                    **D**  
To my heart

**C**

Drove through the dark

**G**            **D**            **C**  
It s so strange how life changes

**Am**

**D**

And suddenly You re lovin me

**Em**            **D**            **G**            **C**  
And I m amazed

**Em**            **D**                    **G**  
I m amazed

**Em**                    **D**            **G**            **C**  
Feel so safe inside your kiss

**Em**                    **D**            **G**            **C**  
Like I m comin home

**Em**                    **D**                    **G**            **C**  
I never could imagine this

**Em**                                    **D**                    **G**  
When I was on my own

**Am**

Now everythingâ€™s possible

**Em**

**C**

**D**

When I m lookin in your eyes

(Chorus:)

**G D C**  
I m amazed How you found your way  
**G D**  
To my heart  
**C**  
Drove through the dark  
**G D C**  
It s so strange how life changes  
**Am D**  
And suddenly You re lovin me  
**Em D G C**  
And I m amazed  
**Em D G**  
I m amazed

**C**  
A fuller life for me  
**Em**  
I can t believe  
**Am D**  
That after all this time  
**C**  
I m smilin again  
**Em**  
And I don t know when  
**Am D**  
I ve been more alive

(Chorus:)

**G\* D\* C\***  
I m amazed How you found your way  
**G\* D\***  
To my heart  
**C**  
Drove through the dark  
**G D C**  
It s so strange how life changes  
**Am D**  
And suddenly You re lovin me  
**Em C G D**  
And I m amazed  
**Em C D**  
I m amazed
