Here s the complete song:

INTRO

A F C G x2

CHORUS

C G

I hate you, I love you

A F

I just can t remember to forget you

C G

Who are you, who needs you?

A F

You make me feel alive, I die, so high

C G

I m crawling on the ground

A F

I have found I can fly

PRE CHORUS

C **D**
One of these days it all comes together
C **D**
One of those days that goes on forever
C **D**
Think I sound crazy? Maybe, whatever
G
What s it all about?

CHORUS

A **F**
It s about life, it s about fun
C **G**
It s over before it has begun
A **F**
It s about you, it s about me
C **G**
It s about everything between and I say
A **F**
I m saying goodbye to you, I say hi to you with no clue
A **G** **F#**
It s about time that I
G
Make up my mind

C **G** **A** **F**
It s simple, confusing, the truth is I m winning but I m losing

C **G** **A** **F**
And pulling and pushing, won t do me any good

C **G** **A** **F**
It could, it should I m honest to myself that the truth is I lied

PRE CHORUS

C **D**
One of these days it all comes together
C **D**
One of those days that goes on forever
C **D**
Think I sound crazy? Maybe, whatever
G
What s it all about?

A **F**

I m saying goodbye to you, I say hi to you with no clue

A **G** **F#**

It s about time that I

G

Make up my mind

VERSE

C **G**

Time is creeping behind me, surrounding around me

F **A**

Fading the words so desperately

C **G**

Now give me a reason that I can believe in

F **A**

Time is something you can t rewind
