$\mathbf{E}\mathbf{m}$

Down that road we all know All things aside I ve С

got a few questions for you Have to reply and

Em

soon cause I need you

Em

Remember when we were young taking a ride C

Counting all the waterfalls that fell from

 \mathbf{Em}

the sky with you

I miss you

Refrain 1:

Those were times

I won t forget

```
Chorus 1:
\mathbf{E}\mathbf{m}
I know withought you I ll try
to stay calm strong
and beautiful
Inside my mind
     Am
like you Just like you
Verse 2:
Em
As I lay wide awake under the sky
Waiting for signs that say
you ll be alright
     Em
this time all is fine
Em
Vividly in my dreams
I recall times
Sitting there with your arms
reaching out for mine to hold
And don t let go
Refrain 2:
Am
those were days
          C
I can t replace
(Repeat Chorus 1)
Chorus 2:
Em
And if forever I try I know I ll
be questioning only
what s right with you
Only you
Bridge:
    C
You left me here
```

```
Em
with all your memories
Here you will stay I ll
        C
be okay with words so wise
Down fell from your eyes
Here you will
stay I ll be okay
