Verse 1:
```
Am
   I let you in
        F
Gave my time
Called you a friend
                Am
Became my whole life
I never knew
              F
You covered my eyes
Clever you
I bought into your lies
      Am
```

```
And I tried to make it right
                              F
but you choose not to hear
          Am
Now it s time to say goodbye
                              F
I can t force you to feel, oh

Had enough of taking what s mine

Set me up have you no shame
                      F
Now I see why you took control
You hold me back so
I d have nothing at all
      Am
And I tried to make it right
                              F
but you choose not to hear
          Am
Now it s time to say goodbye
