

**Cadd9** **G**  
Wonderin why I still feel the same  
**D**  
I put the needle down, hey Mr. Young  
**G** **Cadd9**  
You know our work is never done

[Break]

**Em7/B** **Cadd9** **D** **Dsus2** **D** **G** **G/F#**

[Verse 3]

**G** **Cadd9**  
I saw that boy I loved so hard  
**Em7/B** **Cadd9**  
He passed me in his beat-up car  
**G** **Cadd9**  
Desire doesn't know it's wrong  
**Em7/B**  
So I came home and put the record on

[Verse 4]

**Cadd9** **G** **Cadd9**  
I heard the backbeat, I sank into the groove  
**Em7/B**  
And suddenly I wasn't worried about you  
**Cadd9** **G** **Cadd9**  
I turned it up so loud that it buzzed my ears  
**Em7/B**  
And that's okay, 'cause I'm the only one here

[Chorus]

**D** **Cadd9** **G**  
I'll take lonely if it means free  
**D** **Cadd9** **G**  
It's never how you thought it'd be  
**Em7/B** **Cadd9** **D** **G**  
But that record waited up for me  
**Em7/B** **Cadd9** **D** **G**  
That record waited up

[Outro]

**Em7/B** **Cadd9** **D** **G**  
That record waited up for me  
**Em7/B** **Cadd9** **D** **G**  
That record waited up for me  
**Em7/B** **Cadd9** **D** **Dsus2** **D** **G** **G/F#**  
**Em7/B** **Cadd9** **D** **Dsus2** **D** **Dsus4**
