

Chinese

Lily Allen

F **Fmaj7** **Gm**
I see you from the sky
Dm **Bb** **Gm C**
And I wonder how long it will take me to get home
F **Fmaj7** **Gm**
I wait for an hour or so at the carousel
Dm **Bb**
I have a cigarette to pass the time
Gm **C**
Cause the traffic s hell

(**Dm C Bb Bb7+**)

Refrão:

F **Am**
I don t want anything more
Cm
Than to see your face when you open the door
Bb
You ll make me beans on toast and a nice cup of tea
F
And we ll get a Chinese and watch TV
Am
Tomorrow we ll take the dog for a walk
Cm
And in the afternoon then maybe we ll talk
Bb
I ll be exhausted so I ll probably sleep
F
And we ll get a Chinese and watch TV

Verso 2:

F **Fmaj7** **Gm**
You wipe the tears from my eye
Dm **Bb** **Gm C**
And you say that all that it takes is a phone call
F **Fmaj7** **Gm**
I cry at the thought of being alone and then
Dm **Bb** **Gm C**
I wonder how long it will take til I m home again

(**Dm C Bb Bb7+**)
