

Our Time
Lily Allen

Intro: **E E E E**

Verse

E

It s 2 am so I just stopped the music

A

I m still swaying like I was on a cruise ship

C#m

Took the words straight out on my mouth

A

Come on everybody back to my house

E

Take my hand now, you're coming over

A

It doesn t matter you can sleep on my sofa

C#m

Bring some frags and brings some wristlets

A

We're gonna party like it's nobody's business

Pre-Chorus

E

Let your hair down now it s the end of the weekend

A

This is our time now let s forget everything

C#m

And put your glad rags on

A

Dressing up like we're queens of the night

Chorus

E

And we can swing and dance the night away

A

We don't give a damn what people say

C#m

We ve had enough so turn it up

A

Tonight we're taking over

E

And we will wear our drink til we lose our minds

A

Wanna lose sense of space and time

C#m

We're going through, It's how we do

A

Tonight we're taking over

E E E E

Verse

E

I feel fly I'm looking kenzo

A

I'll get high but I ain't doing benzos

C#m

I might dance like your auntie

A

I don't care cause we're here to party

E

I got a quite good record collection

A

Yeah I got everything that came out on Def jam

C#m

I've got hip hop, I've got dub step

A

I'll take us right through from sunrise to sunset

Pre-Chorus

E

Let your hair down now it's the end of the weekend

A

This is our time now let's forget everything

C#m

And put your glad rags on

A

Dressing up like we're queens of the night

E

And we can swing and dance the night away

A

We don't give a damn what people say

C#m

We've had enough so turn it up

A

Tonight we're taking over

E

And we will wear our drink til we lose our minds

A

Wanna lose sense of space and time

C#m

We're going through, it's how we do

A

Tonight we're taking over

Bride

E

Drink a little more then

Dance a little harder

A

Shout a little louder if you like

C#m

Move a little faster

Stand a little taller

A

Do whatever makes you feel alright

E

Drink a little more then

Dance a little harder

A

Shout a little louder if you like

C#m

Move a little faster

Stand a little taller

A

Do whatever makes you feel alright

E A

Go hard

C#m A

Go harder now

E A

Go hard

C#m A

Go harder now

E

And we can swing and dance the night away

A

We don't give a damn what people say

C#m

We've had enough so turn it up

A

Tonight we're taking over

E

And we will wear our drink til we lose our minds

A

Wanna lose sense of space and time

C#m

We're going through, it's how we do

A

Tonight we're taking over

Outro
