When you first left me I was wanting more
But you were fucking the girl next door, what ja do that for
When you first left me I didn t know what to say
I never been on my own that way, just sat by myself all day

I was so lost back then
But with a little help from my friends
I found a light in the tunnel at the end
Now you re calling me up on the phone
So you can have a little wine and a moan
And it s only because you re feeling alone

At first when I see you cry,
yeah it makes me smile, yeah it makes my smile
At worst I feel bad for a while,
but then I just smile I go ahead and smile

Whenever you see me you say that you want me back
And I tell you it don t mean jack, no it don t mean jack
I couldn t stop laughing, no I just couldn't help myself
See you messed up my mental health I was quite unwell

I was so lost back then
But with a little help from my friends
I found a light in the tunnel at the end
Now you re calling me up on the phone
So you can have a little wine and a moan
And it s only because you re feeling alone

At first when I see you cry,
yeah it makes me smile, yeah it makes my smile
At worst I feel bad for a while,
but then I just smile I go ahead and smile

lalalalalalalalalalalalalalalalalalalal lalala

At first when I see you cry,
yeah it makes me smile, yeah it makes my smile

At worst I feel bad for a while,
but then I just smile I go ahead and smile
