Lily Allen

For all of you, so full of social life so you find time to jeer and hate
someone better than you<3
And of course you are better! (s)

Just play intro all over the verses!;D
The song is all electronical so it s kinda harder to set the chords so sorry
for mistakes and ofc POST SUGGESTIONS IF YOU HAVE!!!!:D
Chorus could be played only **A E A E A E A E** but then it s boring, so I preffer
this :D

A-E changes faster than the previous chords ;D
