Letra Bleed

What goes around comes around
You better realize
You kill life, you kill life
Why??? Why???
I see your eyes, I see your lies
I see you hide, inside...

What goes around comes around
Now it s your time
How long can you lie???
How long can you hide???

How long can you live with your soulbleed???
How long can you live with your soul...

Bleed Bleed Bleed Bleed Bleed Bleed

What goes around comes around

No more lies

You kill life, you kill life

Why??? Why???

I see a mother cry

I see a brother cry

Bring it on

Bring it

I ll make you bleed and you re bleeding now

Muthafucka

I got my pride and that s all I need

I ll make you bleed with another blow without the radio

Don t take advantage of this process

You might have to digest a blade made for your ass to fade

I m living on instinct

Never think when I m rushin bones crushin

When I put your sorry ass in a package

You piece of shit sealed and delivered from a savage

And now you sweat because you re goin down

You envious clown fuckin bleed
