E5*
When I m all alone
G#/**B#**
The weight of the world
C#-11
is more than I,
A
can bear on my own

When all my plans have failed
and I suffer defeat
I m down on my knees
I can t get to my feet

A6   **G#**+7
Your love breaks through
C#-7   **F#7**
Reminds me of the hope that I have in you
          E5   **F#7** **A**   **B**
That I have in you

E5*   **C#**-7
There s no other place, That I d rather be
B   **A**
than safe in the arms, the arms of my savior
There s no other place, that I d rather be
than safe in the arms, the arms of my savior

la la la, la la

When I m feeling overwhelmed
like I can t take anymore
I ve thrown up my hands,
all I see is the floor

I ve looked to the north,
the south west and the east
But as far as I can see
I can t find any peace

Then your grace breaks through
(From: http://www.elyrics.net)
Reminds me of the hope that I have in you
So I run to you, whoa

There s no other place, that I d rather be
then safe in the arms, the arms of my savior
There s no other place, that I can be free
So I run to the arms, the arms on my savior

(Guitar solo)

Life shouldn t be, something to dread
 Cause I know you still know
how many hairs are on my head
So I run to you, So I run to you, whoa

There s no other place, There s no other place
That I d rather be, yea
(safe) there s no other place, there s no other place
There s no other place, that I d rather be, yea

(outro solo)

no other place
in your arms
in your arms
I sing to you
yea
In your arms lord*

*under solo
