**Lincoln Brewster**

Artist: Lincoln Brewster  
Song: The Power of Your Name  
Taber: Visual Effects Metal  
Date: 10/20/08

Tuning: Standard(EADGBE)

[Verse]

**F#m** **D** **E**  
Surely children were not made for the streets  
And fathers were not made to leave  
Surely this isn't how it should be

**Asus Bsus**  
Let Your kingdom come

**F#m** **D** **E**  
Surely nations were not made for war  
Or the broken meant to be ignored  
Surely this just can't be what you saw

**Asus**  
Let Your kingdom come  
**Bsus**  
Here in my heart

[Chorus]

**A**  
I will live  
**E**  
To carry Your compassion  
**D2**  
To love a world that's broken  
**Bsus**  
To be Your hands and feet  
**A**  
I will give  
**E**  
With the life that I've been given  
**D2**  
And go beyond religion  
**Bsus**  
To see the world be changed  
(pre verse)- **F#m-D-E**  
By the power of Your name

[Verse]

**F#m**                    **D**                    **E**  
Surely life wasn't made to forget  
And the lost were not made to forget  
Surely faith without action is dead

**Asus**  
Let Your kingdom come  
**Bsus**  
Lord break this heart

[Bridge]

**D**  
Jesus Your name  
**E**  
Is a refuge for the weak  
**D**  
Only Your name  
**E**  
Can redeem the undeserving  
**D**  
Jesus Your name  
**E**  
Holds everything I need
