

Lost Command
Linda Perry

This is a great song from Linda Perry. A great artist that I really admire. This is my own work and my first tab so I am not sure for the Gm chord and any corrections are accepted.

Hope you will enjoy! :)

Rythm: 4/4

Intro: Dm F G Dm

Verse 1:

Dm F
Lord I feel I've lost command
G Dm
The ship I built is crashing from my hands
Dm F
Everything seems so unclear
G Dm
My tattered sails have all but disappeared

Chorus:

C
There was a lightning crash right over me
Gm G Dm
It struck so hard my ship began to sink
C
Just as the sea began to take me down
Gm G Dm
Someone reached right in and rescued me

Dm F Gm Dm
La la la la la la la.....

Verse 2:

Dm F
Stranded so very very long
G Dm
Lately Lord I just don't feel too strong
Dm F
Sea hopeless is carrying me away
G Dm
I'm on my knees and begging for today

Chorus:

C
There was a lightning crash right over me
