

I Can Almost See It
Linda Ronstadt

I Can Almost See It

Intro : C G Am7 Dm7 G7

C G/B Am7
It hurts to say goodbye
C G/B Am7
And when the words are going by
C Fmaj7 C
The wind can blow them right back in your eye
D G7
You can almost see it

C G/B Am7
Time will let you know
C G/B Am7
And when you turn around to go
C Fmaj7 C
The aching in your heart begins to show
D G7
You can almost see it

Chorus:

Dm7 G7
You can almost see it
Dm7 G7
You can almost see it
Dm7 G7 Fmaj7 C
You can almost see it going by

So you take another train
But the tracks all look the same
They run around in circles like a game
You can almost see it

Chorus
