

Fall Down Or Fly
Lindi Ortega

Lindi uses a Capo on the 6th fret. All chords relative to capo.

Intro

C G Am F

Verse 1:

G **Am**
You said, Girl you gotta dream, give it everything

F
Gotta make em see it was meant to be

G **Am** **F**
Don t you think you ought to give it one more shot

G
You ve seen the glory and the shame

Am **F**
beauty and the pain weakness and the strength waiting for the fame

G **Am** **F**
Don t you think you ought to give it all you got

Chorus:

C **G**
Because This is your life you can fall down or fly

Am **F**
you can burn out or shine if you want (yeah)

C **G**
This is your life you can live it or die

Am **F**
You can quit now or try if you want

G Am F **G Am F**
But don t you give up, don t give up

Verse 2:

G **Am**

You said, What is there to lose? Do it if you chose

F

I got faith in you, everything you do

G

Am

F

I know you are gonna make it to the top

G

Am

I can see it in your heart you have come far

F

It s everything you are, everything you are

G

Am

F

Don t you think you ought to give it all you got?

Chorus

C

G

Because This is your life you can fall down or fly

Am

F

you can burn out or shine if you want (yeah)

C

G

This is your life you can live it or die

Am

F

You can quit now or try if you want

Bridge:

Dm

C

G

Dm

And if you should fall well then just get back up

C

G

Dm

Just roll the dice, gotta try out your luck

C

G

give it a shot baby please don t give up

Chorus progression twice finishes up the bridge then final chorus (same as chorus #1):

C

G

Because This is your life you can fall down or fly

Am

F

you can burn out or shine if you want (yeah)

C

G

This is your life you can live it or die

Am

F

You can quit now or try if you want

G Am F

G Am F

But don't you give up, don't give up
