

Heaven Has No Vacancy
Lindi Ortega

Capo 5- Am, C, G, Dm

Oh, I crawled through the clouds on a dark and stormy day
Found myself passed out on the steps of the pearly gates
Won't you let me in, won't you open up the door
Surely there must be some room inside for just one more

Heaven has no vacancy
Heaven has no vacancy
No no

So they sent me down to the every pits below
I've been there and back before, oh please don't make me go
Won't you let me in, don't you leave me all alone
I am just a lonely soul lookin' for a home

Heaven has no vacancy
Heaven has no vacancy
No no

If Heaven has no vacancy
Heaven has no place for me
Heaven has no place for me
Heaven has no place for me
No no

If they don t let me in, I ll just sit here on the stairs
