Waiting On You Lindsay Ell [Verse 1] G What s not to like bout this new love thing? Am Midnight kisses, slow dances in the rain С G But you got my heart beating fast G Where this is going, baby, I can t say Am Every time you leave me, I just want you to stay C But I gotta know where you stand [Chorus] С G Like the dry ground G Am Waiting for the rain to fall down C7 C I m a July sky, you re a bottle rocket C7 G I m waiting on you G Like a sailboat wishing for the wind to blow G Am Like a fast car looking for the green to go C I m right here, baby C7 Don t keep me waiting on you [Verse 2] G I m not talkin bout no diamond rings Am White picket fences, those forever things But you gotta make your move [Chorus] G Like the dry ground G Am Waiting for the rain to fall down C C7 I m a July sky, you re a bottle rocket

C7 G I m waiting on you G Like a sailboat wishing for the wind to blow Am Like a fast car looking for the green to go С I m right here, baby C7 G Don t keep me waiting on you G Like the dry ground G Am Waiting for the rain to fall down С C7 I m a July sky, you re a bottle rocket C7 G I m waiting on you G Like a sailboat wishing for the wind to blow G Am Like a fast car looking for the green to go С I m right here, baby C7 G Don t keep me waiting on you [Outro] С I m right here, baby C7 G Don t keep me waiting on you
