Battle Symphony
Linkin Park

[Intro] **Bb   Eb   Gm   F**

```
        Gm          Bb       Gm         Bb
I got a long way to go and a long memory
        Gm            Bb            Gm        Bb
I been searching for an answer, always just out of reach
  Gm           Bb    Gm      Bb
Blood on the floor, sirens repeat
          Gm              Bb          Gm        Bb
I been searching for the courage to face my enemies
```

```
        Cm              F
When they turn down the lights
```

```
          Gm     Eb       Bb                    F
I hear my battle symphony, all the world in front of me
        Gm     Eb        Bb        F
If my armor breaks, I ll fuse it back together
 Gm     Eb        Bb                       F
Battle symphony, please just don t give up on me
        Gm         Eb      Bb    F
And my eyes are wide awake
```

```
      Bb       Eb      Gm   F
For my battle symphony
      Bb       Eb      Gm   F
For my battle symphony
```

```
         Gm         Bb          Gm         Bb
They say that I don t belong, say that I should retreat
          Gm                Bb         Gm        Bb
That I m marching to the rhythm of a lonesome defeat
        Gm          Bb          Gm           Bb
But the sound of your voice puts the pain in the reverse
      Gm          Bb              Gm        Bb
No surrender, no illusions, and for better or worse
          Cm             F
When they turn down the lights
```

```

If my armor breaks, I ll fuse it back together
 Gm     Eb        Bb                       F
Battle symphony, please just don t give up on me

And my eyes are wide awake
```

```

If I fall, get knocked down
       Bb                      F
Pick myself up off the ground
       Eb                      Cm
If I fall, get knocked down
       Bb                      F
