[Verse 1]

F#5
Here we go for the hundredth time, hand grenade pins in every line
E5
Throw em up and let something shine, going out of my fuckin mind
F#5
Filthy mouth, no excuse, find a new place to hang this noose
E5
String me up from atop these roofs, knot it tight so i won t get loose
D5
Truth is you can stop and stare
E5
Bled myself out and no one cares
F#5
Dug the trench out laid down there, with a shovel up out of reach somewhere
D5
Yeah someone pour it in
E5
Make it a dirt dance floor again
B5   **E5**
Say your prayers and stomp it out, when they bring that chorus in

[Chorus]

F#5   **E5**   (x3)
I bleed it out digging deeper just to throw it away
D5
Just to throw it away
E5
Just to throw it away
             F#5
I bleed it out

[Verse 2]

F#5
Choppy words and a sloppy flow,
E5
Shotgun opera lock and load, cock it back and then watch it go
F#5
mama help me i ve been cursed, death is rolling in every verse
E5
Candy paint on his brand new hearse, can t contain him he knows he works
D5   **E5**
Fuck this hurts i won t lie, doesn t matter how hard i try
F#5
Half the words don t mean a thing and i know I won t be satisfied
D5   **E5**
so why try ignoring him, make it a dirt dance floor again
B5   **E5**
say your prayers and stomp it out, when they bring that chorus in

[Chorus]

F#5   **E5**   (x3)
I bleed it out digging deeper just to throw it away
D5
Just to throw it away
E5
Just to throw it away
                D5
I bleed it out

[Bridge]

                    E
I open up these scars
                      D
I’ll make you face this
                    E
I pull myself apart
                D   **E**   **F#5**
i ll make you face... this... now
