	Dm	F	
The cycle repeated			
	Am		G
As explosions broke in the sky			
	Dm	F	
All that I needed			
	Am		G
Was the one thing I couldn t find			
	Dm		
And you were there at the turn			
	F	Am	G
Waiting to let me know			
	Dm	F	
We re building it up			
	Am	G	
To break it back down			
	Dm	F	
We re building this up			
	Am		
To burn it down			
We can t wait			
	G	Dm	F Am G
To burn it to the ground			
	Dm	F	
The colors conflicted			
	Am		G
As the flames climbed into the clouds			
	Dm	F	
I wanted to fix this			
	Am		G
But couldn t stop from tearing it down			
	Dm		
And you were there at the turn			
	F	Am	G
Caught in the burning glow

Am

I played that soldier

You played king

G

And struck me down when I kissed that ring

Dm

You lost that right to hold that crown

F

I built you up but you let me down

Am

So when you fall

I ll take my turn

G

And fan the flames as your blazes burn

Dm

And you were there at the turn

F **Am** **G**

Waiting to let me know

Dm **F**

We re building it up

Am **G**

To break it back down

Dm **F**

We re building this up

Am

To burn it down

We can t wait
