No Roads Left (Acoustic)  
By Linkin Park  
Tabbed by TP

I haven't found any acoustic versions of this song anywhere, but I thought it might cool if someone tried it. So I did. This is my first tab, too, so go easy on me.

|: **Am Asus4** :| x4

|: **Am Asus4** :| x4

Standing alone with no direction

|: **Am Asus4** :| x4

How did I fall so far behind?

|: **Am Asus4** :| x4

Why am I searching for perfection?

|: **Am Asus4** :| x4

Knowing it's something I won't find

**F G**

In my fear and flaws

|: **Am Asus4** :| x2

I let myself down again

**F G**

All because

[Chorus]

**Am Gsus2**

I run

**F C G**

Till the silence splits me open

**Am Gsus2**

I run

**F C Gsus2**

Till it puts me underground

**F**

Till I have no breath

**G** | : **Am Asus4** : | x4

And no roads left but one

| : **Am Asus4** : | x2 | : **Am7 Gsus2** : | x2

When did I lose my sense of purpose?

| : **Am Asus4** : | x2 | : **Am7 Gsus2** : | x2

Can I regain what s lost inside?

| : **Am Asus4** : | x2 | : **Am7 Gsus2** : | x2

Why do I feel like I deserve this?

| : **Am Asus4** : | x2 | : **Am7 Gsus2** : | x2

Why does my pain look like my pride?

**F G**

In my fear and flaws

**Am Asus4 Am Asus4**

I let myself down again

**F G**

All because

| : **Am Asus4** : | x2

I let myself down

**F G**

In my fear and flaws

[Chorus]

**Am Gsus2**

I run

**F C G**

Till the silence splits me open

**Am Gsus2**

I run

**F C Gsus2**

Till it puts me underground

**F**

Till I have no breath

**G Am F C**

And no roads left but one

**G Am F C G**

No roads left but one

**F G**

In my fear and flaws

|: **Am Asus4** :| x2

I let myself down again

**F G**

All because

**Am Gsus2**

I run

**F C G**

And the silence splits me open

**Am Gsus2**

I run

**F C G**

And it puts me underground

**F**

But there s no regret

**G** |: **Am Asus4** :| x(to end)

And no roads left to run
