This is a phat remix of one of Linkin Parks phatest songs. Jay Gordan of Orgy did an awesome job. This is just a simple tab to play its only three riffs in an easy order, and its all on the B String (Or B and E depending on how you transpose it) Very fun to jam to.

Tuning: Standard 5-String
B, E, A, D, G

Order:
Intro (Riff 1) 3x
Build (Riff 2) 4x
Verse (Riff 1) 4x
Chorus (Riff 3) 4x
Build (Riff 2) 1x
Chorus (Riff 3) 4x
Break (Riff 1) 4x
Silence ***** hold 4 measures
Chorus (Riff 3) 4x
Outro (Riff 1 2x with slight variation and then Riff 2 *2x*)

***There is no Bass on the intro or verse,
but I tabbed it out just in case you want to play it***

Have fun.....PEACE!!!
