Dm **F** **G**
No regrets for the confidence betrayed,
Dm **C**
No more hiding in shadow
Dm **F** **G**
Cause I won't wait for the debt to be repaid

Time has come for you

Victimized, victimized, never again, victimized
D5
Victimized, victimized, never again, victimized

Dm
They're acting like they want a riot, it's a riot I'll give 'em
As the siren climbs higher on this violent rhythm
For you snakes in the grass, supplying the venom
I ain't scared of your teeth, I admire what's in 'em
You be waiting in the shadows there thinking you're hidden
But the truth is you don't have the stomach to get 'em
Go on already, hit 'em yeah you got to be kidding
Wanna talk about a victim? Imma put you there with 'em

D5
Victimized, victimized, never again, victimized
D5 (D5 D#5)
Victimized, victimized, never again, victimized... No
