**F C Gm Bb**  
Here i stand without an overcoat in january  
**F C Gm Bb**  
Where did i go wrong  
**F C Gm Bb F**  
I try to smile but my heart s a heavy load to carry  
**F C Gm F**  
Baby now you re gone  
**Bb Gm**  
Maybe there s a way to stop the rain before it s falling  
**Bb F Gm**  
Maybe i m a fool to even try  
**F Am Bb C F**  
But i can t say goodbye how can i walk away  
**Am Gm Bb**  
My heart wants you to stay ohh yehh  
**F Bb**  
And I can t tell you why  
**F Am Gm**  
I know the feeling s gone and I know I should be strong  
**Gm F**

**C Gm F**  
Here I go running after dreams and chasing rainbows  
**F C Gm**  
Trying to hold on to your heart  
**F C Gm Bb F**  
I made it through another lonely night just thinking of you  
**F C Gm**  
I long to be right where you are  
**Bb F Gm F**  
Maybe there s a way to stop the hands of time from turning  
**Bb F Gm Bb**  
Maybe it just hurts too much to try ohh yeh  
**F Am Gm Bb**  
I can t say goodbye  
**Bb F Am Gm**  
How can I walk away my heart wants you to stay
