Lyrics:

VERSE

Who said
It ain't tricky?
How come
Your so wicked?

Needless

Almost human
Trip on
Space invalid

CHORUS

I wanna be your gameboy
Let me be your machine
I wanna be your toy
Play me

I wanna be your gameboy
Your data stream
I wanna be your toy
Let me be your machine

VERSE

Remind me
To remember
to hit the
panic button

And I know
It's a dumb deal
To let it
All hang out

CHORUS

I wanna be your gameboy
Let me be your machine
I wanna be your toy
Play me

I wanna be your gameboy
Your data stream
I wanna be your toy
Let me be your machine

BRIDGE

CHORUS

I wanna be your gameboy
Let me be your machine
I wanna be your toy
Play me

I wanna be your gameboy
Your data stream
I wanna be your toy
Let me be your machine
