To Dream
Lisa Germano

Verse:
```
C#               G#    F#
Only when it s real

C#                   G#
When it speaks to you

F#   C#                  G#     F#  G#
And no one else can hear

C#                   G#     F#
Don t give up your dream

    C#               G#     F#
It s really all you have

    C#              G#        F#   G#
And I don t wanna see you die
```

Chorus:

C# G# Bbm G# Ebm G#

```
    C#       G#          Bbm G# Ebm G#
To dream, to live
```

Verse:
```
C#                  G#    F#
In your darkest moments

C#                  G#        F#
In your deepest thoughts

C#                  G#
Then it speaks to you

    F#     G#
To dream

C#                  G#    F#
Listen, you are dreaming

C#                  G#  F#
```

This is who you are

```
C#                      G#     F#    G#   C#
You don t have to run away
```

This is who you are

```
C#                      G#     F#    G#   C#
You don t have to run away
```
