To Dream
Lisa Germano

Verse:
```
B              F#    E
Only when it s real

B                  F#
When it speaks to you

E   B                  F#    E  F#
And no one else can hear

B                  F#      E
Don t give up your dream

    B              F#    E
It s really all you have

     B              F#        E   F#
And I don t wanna see you die
```

Chorus:

```
B F# G#m F# C#m F#

   B       F#        G#m F# C#m F#
To dream, to live
```

Verse:
```
B              F#    E
In your darkest moments

B              F#        E
In your deepest thoughts

B                  F#
Then it speaks to you

    E    F#
To dream

B              F#    E
Listen, you are dreaming

B                  F#  E
```

This is who you are

```
B                    F#   E   F#  B
```
You don t have to run away

This is who you are

```
B                    F#   E   F#  B
```
You don t have to run away
