

Is This Real
Lisa Hall

Em **D** **Em**
Twisted this feeling walked out of shape
Em **D** **Em**
So tired of revealing the moves that I make
 C9 **D** **Em**
And I know, yes I know, but is this real?
 C9 **D** **Em**
And I know, yes I know, but is this real?
Em **D** **Em**
Feeling inconstant could drive me insane
Em **D**
Flesh to blood to bone to love
Em
Twisted.
[[THE REST IS THE SAME AS ABOVE]]
And I know, yes I know, but is this real?
And I know, yes I know, but is this real?

Is this real?

Twisted this feeling
Flesh, blood, bone, love
Twisted
Twisted this feeling

And I know, yes I know, but is this real?
And I know, yes I know, but is this real?

Flesh to blood to bone my love
Twisted
Twisted

Is this real?
