What you at my gentle-spoken

C F

Friend. I lack a frame to put you

C F

In when you re an ocean and a

C F

Rock away.

C F C F

C F C F

C F

I feel you in the pockets of my

C F

Overcoat, my fingers wrapped a-

C F

round your words and take the shape of

C F

Games we play

C F C F

C F C F

C F

I feed your words through my

C F

Buttonholes, pin them to my

C F

Fingerless gloves, they re green and

C F

Prone to fray -
